Environmental Protection Act Loi sur la protection de l'environnement

NOTICE IS HEREBY GIVEN that public comment is being requested from all interested parties on the Ministry of the Environment and Energy's proposed "Guideline for the Clean-up of Contaminated Sites in Ontario" and supporting documents.

The Advisory Committee on Environmental Standards was established by Order in Council 1138/90 to advise the Minister of the Environment and Energy with respect to standards for environmental contaminants following consideration of public input received and pertinent scientific, legal, economic and socio-cultural issues.

The Ministry of the Environment and Energy has prepared a Guideline that proposes new approaches on how sites in Ontario should be assessed for contamination and cleaned up. This proposed Guideline is intended to replace the 1989 "Guidelines for the Decommissioning and Clean-up of Sites in Ontario" and the 1993 "Interim Guidelines for the Assess-

ment and Management of Petroleum Contaminated Sites in Ontario". In addition to the Guideline, supporting documents have been prepared and are available for public review.

Information sessions will be held in Hamilton on August 11 at the Main Branch, Hamilton Public Library (2:00 pm and 7:00 pm) and in Toronto on August 16, at the MacDonald Block (Ontario South Room), Queen's Park (2:00 pm and 7:00 pm). If you are unable to attend either of these sessions, transcripts can be ordered.

Comments will be received until October 11, 1994.

(6) Subject to subsection (7), no planning document shall prohibit the installation of a second residential unit in a house on the basis that an alteration to the interior of a house would result in a contravention of or would extend or enlarge an existing contravention of standards in a planning document which have the effect of regulating,

- (a) the permitted number or location of floors in the house used or capable of being used for human habitation;
- (b) the relationship between the area of a house which can be used for human habitation and the area of the property on which the house is located; or

(7) Subsections (4), (5) and (6) only apply,

- (a) where there is no exterior change to the house;
- (b) where, as a result of an exterior change, the house does not contravene any standard in the planning documents related to the building envelope of the house; or

L'acheteur qui ne peut identifier ou comprendre l'une ou l'autre des présentes dispositions devrait en discuter avec le vendeur ou l'agent immobilier.

Il est recommandé que l'acheteur communique avec le vendeur avant la date de conclusion pour déterminer si la construction se poursuit selon les prévisions et si la conclusion peut se faire à temps.

PROLONGATION ET RÉSILIATION

5. (i) Le vendeur qui ne peut conclure l'opération au plus tard à la date de conclusion prévue par la convention parce qu'il a besoin de délais supplémentaires pour construire l'habitation reporte la date de conclusion une ou plusieurs fois selon ses besoins en donnant un avis écrit à l'acheteur aussitôt qu'il est raisonnablement possible de le faire et, en tout état de cause, avant la date de conclusion ou la date de conclusion reportée, les prolongations ne devant pas dépasser 120 jours dans l'ensemble. Cependant, le vendeur ne doit pas reporter la date de conclusion si les parties ont expressément convenu par écrit qu'il ne peut le faire et si l'acheteur ne renonce pas à cet engagement.
- (ii) Le vendeur prend toutes les mesures raisonnables pour construire l'habitation sans tarder.
- (iii) Si la date de conclusion prévue par la convention a été reportée pendant 120 jours et que le vendeur a encore besoin de délais supplémentaires pour construire l'habitation, l'acheteur peut résilier la convention dans les 10 jours qui suivent les 120 jours écoulés, sauf entente contraire conclue entre les parties après la date de conclusion en question. Pour ce faire, il remet ou envoie par la poste un avis écrit au vendeur à l'adresse indiquée ci-dessus, cet avis pouvant également être donné entre

Cependant, si l'acheteur ne résilie pas la convention tel que prévu ci-dessus, la conclusion est réputée être reportée au cinquième jour qui suit l'achèvement de l'habitation comme l'exige la convention mais, sauf entente contraire entre les parties, pas plus tard qu'à la fin d'un autre délai de 120 jours après le premier délai de 120 jours. Si, à la fin de cet autre délai, l'habitation n'est pas construite conformément à la convention et que les parties ne conviennent pas du contraire, la convention prend fin et toutes les sommes payées par l'acheteur sont retournées sans déduction, et aucun autre droit n'existe entre les parties sauf s'il y a eu violation, par le vendeur, de l'engagement de construire sans tarder prévu à la disposition 5 (ii) ci-dessus. Si la convention prend fin de cette façon, des intérêts sont payables sur toutes les sommes payées par l'acheteur, pour la période qui commence 120 jours après la date de conclusion prévue par la convention, à un taux de 1% inférieur à celui payé sur les comptes d'épargne par la Caisse d'épargne de l'Ontario à la date où la convention a pris fin.

- (iv) Malgré toute disposition contraire de la convention, celle-ci ne peut être résiliée par le vendeur en raison du fait qu'il n'a pas achevé l'habitation selon les indications, dans le délai ou à la date prévus par la convention, compte tenu des prolongations prévues ci-dessus, que si l'acheteur consent à la résiliation par écrit ou que la convention prend fin en application de la disposition 5 (iii) ci-dessus.

- (v) En cas de conflit ou d'ambiguïté entre la convention et le présent addendum, ce dernier l'emporte.

THE CORPORATION OF THE CITY OF YORK

NOTICE IS HEREBY GIVEN that on behalf of The Corporation of the City of York, application will be made to the Legislative Assembly of the Province of Ontario for an Act to provide that Council may pass by-laws designating the entire municipality or any area of the municipality as an area of demolition control in which special requirements will apply in respect of the demolition of buildings.

The Proposed legislation, if enacted, would make it an offence for any person to demolish the whole or any part of any building or structure within an area of demolition control unless the person is the holder of a demolition permit issued by Council under the Act. Council would be able to refuse to issue a demolition permit under the Act unless the property owner enters into an agreement with the municipality respecting beautification of the land pending development. The Act would provide an appeal to the Ontario Municipal Board if the Council failed to approve an application within thirty days, or if the owner was not satisfied with the terms of the agreement or conditions imposed by the Council.

The requirements of the proposed legislation would not apply to a person who at the time of demolition holds a permit to construct a new building on the site of the building or structure to be demolished, or to add to or alter the building or structure to be partly demolished.

This application will be considered by the Standing Committee on Regulations and Private Bills. Any person who has an interest in the application and who wishes to make submissions, for or against the application, to the Standing Committee on Regulations and Private Bills should notify, in writing, the Clerk of the Legislative Assembly, Legislative Building, Queen's Park, Toronto, Ontario, M7A 1A2.

- D. The Crown and public will be damaged by decreased levels of safety for construction staff during daytime construction activities while traffic volumes are higher.
- E. The public will be interfered with by the resulting traffic delays, congestion and inconvenience caused by daytime construction operations.
- F. The public will be damaged by deteriorating operational conditions and potential vehicle accidents on Highway 401.

- G. The public will be damaged by potential noise and visual impacts by the removal of a tree buffer before the last phase of extraction.

Having weighed such injury, damage or interference against the betterment of the people of the whole or any part of Ontario by the protection, conservation and wise management in Ontario of the environment which would result from the undertaking being subject to the application of the Act;

The undersigned is of the opinion that it is in the public interest to order and orders that the undertaking is exempt from the application of the Act for the following reasons:

- A. The environmental impacts of aggregate extraction in this area have been evaluated in the Environmental Assessment which resulted in the 1980 approval.
- B. The amendments requested will not affect the nature of the undertaking and will reduce the negative impacts of the extraction process in that:
 - i. The placing of the asphalt plant in an area depressed below ground level (Area 5) will reduce potential noise and visual impacts on nearby residences.
 - ii. The changing of the sequence of extraction operations to leave a buffer of trees until the last extraction phase will reduce potential noise and visual impacts on nearby residences during the main time span of the operation.
 - iii. The changing of the sequence of extraction operations to defer extraction activities in an area which contains an archaeological site will allow for a proper archaeological salvage of this area, should extraction be required.
 - iv. The Highway 401 reconstruction/six-laning work requires traffic to be reduced to one lane during final paving operations. Allowing this work to occur at night when traffic volumes are lower will reduce traffic congestion, delays and inconvenience to the travelling public.
 - v. Paving at night when the traffic volumes are lower will improve safety conditions for the travelling public and ministry and contractor's construction staff.
- C. The amendments requested have been reviewed and endorsed by The Corporation of the Township of Puslinch.
- D. The amendments requested have been reviewed and endorsed by the Ministry of Natural Resources.
- E. The amendments requested have been subject to public review and any concerns raised have been satisfactorily addressed by MTO.

This exemption order is subject to the following terms and conditions:

1. i. Where any activity which otherwise would be exempt under this order is being carried out as, or is part of, an undertaking for which an environmental assessment has been accepted and approval to proceed received, the activity shall be carried out in accordance with any terms or conditions in the approval to proceed as well as the conditions of this order.

- ii. Subcondition i does not prevent the proponent from making the changes in the undertaking described at the beginning of this order.
2. Where any activity which is the subject of this order is being carried out as, or is part of, another undertaking which is the subject of an exemption order under the Act, the activity exempt under this order shall be carried out in accordance with any terms or conditions in the other exemption order as well as the conditions in this order.

vided whenever it is operationally and technically feasible, in order to minimize use of other haul routes.

Règl. de l'Ont. 453/94, art. 1, *en partie*.

14. (1) En vue de préparer les états financiers du conseil des écoles publiques de langue française pour 1994, les opérations financières de la section publique pour cette année sont réputées être celles du conseil des écoles publiques de langue française et l'exercice de ce dernier est réputé l'année civile 1994.

(2) Le paragraphe (1) s'applique, avec les adaptations nécessaires, à la préparation des états financiers du conseil des écoles catholiques de langue française pour 1994 et à la section catholique.

(3) Le conseil des écoles publiques de langue française et le conseil des écoles catholiques de langue française sont conjointement responsables de ce qui suit :

- a) veiller à ce que le trésorier de l'un de ces conseils ou que les trésoriers de ces deux conseils, agissant ensemble, préparent les états financiers du conseil plénier pour la période allant du 1^{er} janvier 1994 à la date de la dissolution du Conseil;
- b) obtenir un rapport d'un vérificateur sur les états financiers dans les meilleurs délais raisonnables après la préparation des états;
- c) dès la réception du rapport du vérificateur, s'assurer qu'une copie de ce rapport ainsi que deux copies des états financiers sont présentées au ministre.

(4) Le ou les trésoriers qui ont préparé les états financiers, dans un délai d'un mois à compter de la réception du rapport du vérificateur sur ces états financiers, publient, envoient par la poste ou remettent à chaque contribuable du conseil des écoles publiques de langue française et du conseil des écoles catholiques de langue française une copie des états financiers selon la forme que peut exiger le ministre, ainsi qu'une copie du rapport du vérificateur.

(5) Au lieu de publier, d'envoyer par la poste ou de remettre une copie des états financiers ainsi qu'une copie du rapport du vérificateur, le ou les trésoriers peuvent faire annexer les copies de ces documents à l'avis d'impôt qui est envoyé par la poste en 1995 à chaque contribuable du conseil des écoles publiques de langue française et du conseil des écoles catholiques de langue française, si l'avis est envoyé avant le 30 juin 1995.

(6) Les états financiers visés au paragraphe (3) doivent être préparés avant le 30 juin 1995. Règl. de l'Ont. 453/94, art. 1, *en partie*.

15. (1) Au moment de la dissolution du Conseil, la liquidation de ses affaires est, sous réserve de l'article 14, la responsabilité conjointe du conseil des écoles publiques de langue française et du conseil des écoles catholiques de langue française.

(2) Les frais qui découlent de la liquidation, y compris ceux engagés par un conseil scolaire de langue française en vertu des paragraphes 14 (3), (4) et (5), sont partagés entre les conseils scolaires de langue française selon l'entente qu'ils ont conclue. À défaut d'entente, le partage des frais s'effectue selon ce que prévoit le paragraphe (3).

(3) Les deux conseils scolaires de langue française se partagent proportionnellement les frais visés au paragraphe (2). La part qui incombe à chaque conseil est proportionnelle au rapport qui existe entre l'effectif scolaire total vérifié du conseil et la somme de ces effectifs des deux conseils.

(4) Au paragraphe (3), l'expression «effectif scolaire total vérifié du conseil» s'entend du total des élèves résidents internes et des élèves non résidents du conseil au 28 février 1994, tel que le confirme le vérificateur du conseil. Règl. de l'Ont. 453/94, art. 1, *en partie*.

16. (2) L'un ou l'autre des conseils peut, en remettant un avis écrit à l'autre conseil et à la Commission, exiger le règlement de la question précisée dans l'avis.

(3) Si la Commission reçoit un avis, son président constitue un comité composé de trois des membres francophones de la Commission, qui traite de la question au nom de la Commission. Il nomme l'un des membres du comité à la présidence.

(4) Sans délai après la remise de l'avis, les deux conseils nomment un

médiateur pour régler leur différend et avisent la Commission du nom et de l'adresse du médiateur.

(5) Si, après 14 jours à compter de la réception de l'avis par un conseil, les conseils ne parviennent pas à s'entendre sur la nomination d'un médiateur, ils renvoient la question à la Commission en vue de faire nommer un médiateur.

(6) La Commission nomme un médiateur pour régler le différend immédiatement après avoir été saisie de la question.

(7) La Commission communique aux conseils le nom et l'adresse du médiateur.

(8) Les conseils paient à parts égales la rémunération du médiateur.

(9) Le médiateur nommé par les conseils reçoit la rémunération dont il convient avec les conseils.

(2) Le médiateur présente le rapport dans les 21 jours qui suivent sa nomination ou dans le délai plus long dont les parties peuvent convenir ou que la Commission peut approuver.

(3) Si les parties parviennent à une entente, cette dernière doit être mise par écrit et signée par les parties.

(4) Si le rapport du médiateur indique que les parties n'ont pas conclu d'entente, chaque partie nomme une personne au conseil d'arbitrage et en avise la Commission, dans les 10 jours qui suivent la date où elle reçoit le rapport du médiateur.

(5) Si une partie ne nomme personne dans les 10 jours qui suivent la date où elle reçoit le rapport du médiateur, l'autre partie en avise la Commission sans délai et cette dernière nomme une personne à la place de la première partie.

(6) Les deux personnes nommées au conseil d'arbitrage nomment ensemble une troisième personne à la présidence et en avisent la Commission.

(14) La décision du conseil d'arbitrage est définitive et lie les parties.

(15) La *Loi sur l'arbitrage* ne s'applique pas aux conseils d'arbitrage constitués en vertu du présent article.

(16) Une partie à un différend visé au présent article peut faire déposer une copie de la décision du conseil d'arbitrage, à l'exclusion des motifs, à la Cour de l'Ontario (Division générale). La décision est inscrite de la même façon qu'un jugement de la Cour et est exécutoire à ce titre contre le conseil des écoles publiques de langue française ou le conseil des écoles catholiques de langue française, selon le cas. (2) Sous réserve des paragraphes (4) et (5), le contrat de travail, les conditions d'emploi et les droits et avantages sociaux rattachés à l'emploi d'un employé visé au paragraphe (1), ainsi que ses obligations reliés à l'emploi, sont maintenus auprès du conseil scolaire de langue française auquel est muté l'employé en vertu de l'article 20, 21 ou 22, ou du paragraphe 23 (1), qui en assume la responsabilité en qualité d'employeur qui succède.

(3) Au paragraphe (2), l'expression «droits et avantages sociaux» s'entend notamment :

L'avis produit ses effets malgré toute mutation effectuée en vertu du présent règlement. Règl. de l'Ont. 453/94, art. 1, *en partie*.

21. (1) Le présent article s'applique aux personnes qui sont des employés du conseil plénier le 30 juin 1994 et dont les conditions d'emploi sont régies par une convention collective au sens du paragraphe 1 (1) de la *Loi sur les relations de travail*.

Règl. de l'Ont. 453/94, art. 1, *en partie*.

23. (1) Malgré les articles 21 et 22, si l'employé du conseil plénier, à qui ces articles s'appliqueraient autrement, a conclu, avec la section publique, une entente aux termes de laquelle il accepte un poste au conseil des écoles publiques de langue française ou, avec la section catholique, une entente aux termes de laquelle il accepte un poste au conseil des écoles catholiques de langue française, il devient, au moment de la dissolution du Conseil, l'employé du conseil auprès duquel il a accepté le poste. Règl. de l'Ont. 453/94, art. 1, *en partie*.

27. (1) Au plus tard le 30 septembre 1994, le conseil des écoles publiques de langue française avise par écrit les employés qui sont mutés au conseil des écoles publiques de langue française en vertu du présent règlement que cette mutation prend effet à compter du 1^{er} juillet 1994.

Le droit de l'employé prévu au présent paragraphe est toutefois assujéti à toute convention collective applicable et si la Commission des relations de travail rend une ordonnance, en vertu de l'article 64 de la *Loi sur les relations de travail*, prévoyant le droit de rappel de cet employé, le présent paragraphe ne s'applique pas. Règl. de l'Ont. 453/94, art. 1, *en partie*.
